

Wellbeing Policy

Written Autumn 2022

To be reviewed: Autumn 2023

“The Lord does not keep his distance, but is near and real. He is in our midst and he takes care of us.”

Pope Francis (World Youth Day 2016)

St Mary's Catholic Primary School seeks to support positive Emotional Health and Wellbeing in the whole of our school community for adults as well as children.

CONTEXT AND RATIONALE

Emotional health and wellbeing promotes school success and improvement by:

- contributing positively to priorities such as enhancing teaching and learning, raising standards, promoting social inclusion and improving behaviour and attendance.
- involving pupils more fully in the operation of the school.
- helping pupils and staff feel happier, more confident and more motivated.

AIMS

General

- Happier and more motivated pupils and staff who get more out of life Teaching and Learning.
- Pupils who are more engaged in the learning process.
- Pupils who can concentrate and learn better.
- Improved standards in all subjects, including literacy and numeracy.
- Improved attainment.
- More effective teaching.
- Parents and carers more involved in school life and learning

Behaviour and Attendance.

- Pupils with high self-esteem and confidence.
- Pupils who have a say in what happens at school.
- Fewer disaffected pupils, disengaged from learning.
- Improved behaviour and attendance.
- Less bullying.

Staff Confidence and Development

- Improved morale.
- Lower absenteeism.
- Better recruitment level.
- Positive and effective relationships with pupils.

Each pupil will have access to members of staff who will;

- Work to ensure the pupil is happy and safe in school.
- Deal with any problems or concerns in a positive and supportive manner
- Provide relevant learning opportunities about pastoral concerns and practices.
- Act as a supportive link to parents, carers, family and external services
- Ensure that information about the pupil is used sensitively to support their well-being and achievements.

Teaching Points

A variety of teaching methods is beneficial e.g. class, group, pairs, individual. Open enquiry, the expressing of opinions, sharing views, oral and written work, music and drama, should be utilised to present the programme. The Health and Well Being programme will allow broad and balanced coverage of issues relating to all aspects of health, affording access to information appropriate to young people's ages and stages.

WINNING WAYS TO WELLBEING

INTRODUCE THESE FIVE SIMPLE STRATEGIES INTO YOUR LIFE AND YOU WILL FEEL THE BENEFITS.

 Mental Health Foundation
of New Zealand

Outside Agencies/Visitors

It is widely recognised that specialists and experts from other agencies can provide information, expertise and insights that class teachers would not normally be able to provide. The use of other agencies to complement and enhance the work of the class in a planned way is to be encouraged. It is important that the school enters into discussion with the agency prior to the input to ensure that it will indeed complement the ongoing curriculum. The Well-Being Coordinator will ensure that agencies come from reputable sources, satisfy guidelines for their use and are approved for use in schools by the education authority. For example, school links, MHST (Mental Health Support Team, NHS), Caritas counsellor (1 day) and Speech and Language Therapists.

Parents/carers

The school will consult and involve parents appropriately in our approaches to learning and teaching but particularly so in relation to sensitive issues such as sexual health and drug education. The school follows a PSHE programme which is set at an appropriate level of understanding for each year group.

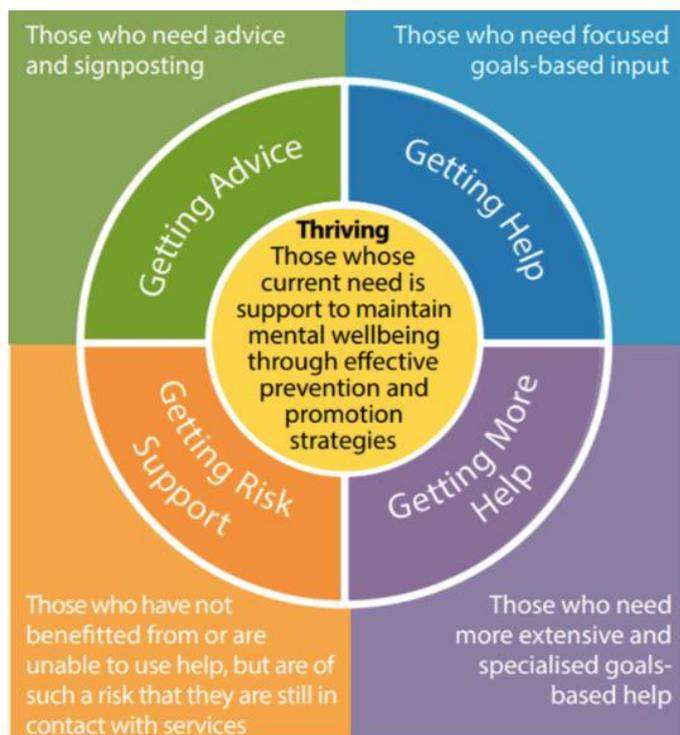

I-Thrive Model: sharing wellbeing concerns

St. Mary's strive to use Oldham's current wellbeing pathway THRIVE to inform its wellbeing provision and underpin the pathway of support for pupils and their families.

Most children in terms of the THRIVE model are thriving and will use the people close to them and the information they have available to support their own wellbeing. However, around 10% of children have a mental health problem and will need more targeted support.

If parents/carers are concerned for the wellbeing of their child then they should make an appointment to share concerns with their child's class teacher. The class teacher will then put into place appropriate measures using St. Mary's universal or selected provision (see provision table below). If concerns continue, staff in close consultation with parents/carers may decide to refer their child to the wellbeing team for a referral to more targeted support for example from some of the outside agencies we closely work with such as MHST (Mental Health Support Team), Caritas,

Early Help...

Thriving: Universal offer e.g. class wellbeing sessions.
Strong whole school wellbeing ethos
PSHE and RE curriculum

Getting Advice: Selected support stage 1 provided by school.
Information about local services on school webpage e.g. TOG MIND, parent wellbeing booklet.
Pupils speak to trusted adult.
Parents seek advice from teacher, family liaison officer, member of wellbeing or pastoral team.

Getting Help: Selected support stage 2
Parent workshops
Intervention groups
Caritas counselling
School nurse
ELSA
MHST
TOG MIND

Getting More Help: Targetted support
CAMHs support
Education Psychologist
For LAC children access to support via virtual classroom.

Getting Risk Support:
CAMHs support
MASH
Clinical psychologist
Specialist support e.g. eating disorders, self-harm

Responsibility of All

Everyone within the school, whatever their contact with children may be, shares the responsibility for creating a positive ethos and climate of respect and trust – one in which everyone can make a positive contribution to the wellbeing of each individual within the school and the wider community.

St. Mary's wellbeing team:

Wellbeing governor: Mrs Lorraine Leonard

Senior wellbeing lead and co-ordinator: Mrs Ciara O'Leary

Wellbeing staff leads: Mrs Rita Millington (EYFs and KS1)

Mrs Carmel Clarke (KS2)

ELSA: Mrs Louise Rowan

Wellbeing class sessions

Every Tuesday afternoon, the school facilitates an inclusion programme of whole school well-being. This programme enables each child from each year group, from Nursery to Year 6, to access a wide range of activities which promote a positive well-being ethos in our school.

Nurture Group:

Every Friday afternoon, the school facilitates nurture group sessions for our most vulnerable children who are experiencing mental health difficulties and need some additional support.

Wellbeing Ambassadors:

St. Mary's have an established wellbeing ambassador team. Each class have representatives on the wellbeing ambassador team. They work closely with the staff wellbeing team to develop the wellbeing provision at St. Mary's listening carefully to the pupil voice of their respective classmates. They help plan and facilitate wellbeing activities to promote good emotional health and wellbeing such as assemblies, lunchtime activities, school environment assessments.
