Spotlight on Year 4

The Miraculous Journey of Edward Tulane is an award-winning story about the adventures of a lost toy rabbit. On a voyage from New York to London, Edward falls overboard and finds himself on an amazing journey.

The Land of Roar is a great fantasy story. It is a rollercoaster of emotions. I would definitely recommend it.

Isaac Y4M

I enjoyed Land of Roar as it a good, imaginative story and I enjoy using my imagination. I like the characters and the dragons.

Archie J Y4McF

The Land of Roar by Jenny McLachlan is the first in a new children's adventure series. It tells the story of 2 children who enter the imaginary world of Roar by climbing through a folding bed in their grandad's attic.
